

PHILIPPINES – UX23

Overprinted in Black at the left – Scott catalog shows date of issue of Jan. 19, 1945 as follows:

UX 23 (A76) 2c gray brown, buff (this card was not issued without the overprint) FDC = \$3.25

Interesting notation at the back of the card

This is not as you may believe an error. It was sponsored by a Chinese collector and dealer.

<i>Peace Reconstruction</i>	<i>War</i>	<i>He thinks like this</i>
<i>War</i>	<i>Peace Reconstruction</i>	<i>We think like this</i>

To him, this card says peace follows war.

The Chinese reads from right to left. Perhaps that's the reason why the pictures were presented in what appears to be in the reverse order.
